

Press Release: 9/9/2016 South State Street nighttime closures begin September 19

Project No.: 135-326

Nightly Closures of South State Street in Stamford Beginning September 19th

The Connecticut Department of Transportation is announcing that there will be nighttime closures of South State Street between Atlantic Street and Canal Street in Stamford, weather permitting.

The project consists of improvements to Interstate 95 Exit 8 along with Atlantic Street and South State Street in Stamford. This project will improve the lane configuration along South State Street and provide a more efficient traffic flow exiting I-95 as well as improve the drainage in the area. This work will involve temporary off ramp lane reductions for the completion of new Exit 8 Flyover Bridge and retaining walls along I-95 corridor between Atlantic Street and Canal Street.

DOT Project No. 0135-0326 was awarded to Yonkers Contracting Co., Inc. of, CT on January 15, 2016 for \$33,881,217.09 with an official start date of February 8, 2016 and is anticipated to be complete in June 2018. This project is administered by the Office of Construction – District 3, New Haven.

DETOUR INFO

To accommodate drainage and sewer operations, South State Street in Stamford will be closed for nighttime construction beginning September 19th thru October 31st from 9:00 pm until 5:00 am. Detour signs will be in place to direct motorists around the closure utilizing Atlantic Street via Dock Street to bypass South State Street.

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions.
